

# DIAMOND LIGHT SOURCE VISIT

## CAREERS IN STEM

**MARCH 14TH 2023**

**9.00 - 1.00**

**STUDENTS AGED 16+ WITH AN INTEREST IN  
STEM CAREERS ARE INVITED TO ATTEND**

This free event aims to offer an insight into Diamond Light Source and explore the breadth of career journeys that staff have undertaken to get there. The visit involves an 'Introduction to Diamond' talk covering how the particle accelerator works and what kind of research happens. Following the talk students will receive a tour of the facility and participate in a Careers Carousel. Open to OX14 LP Schools

**Science teachers please email  
[ox14lp@abingdon.org.uk](mailto:ox14lp@abingdon.org.uk) to bring a group  
6 spaces per school**
