After School talk CAREERS LEADING FROM THE STUDY OF HUMANITIES SUBJECTS

Presentation | Panel Discussion with Q&A | Food & Drink

Come and gain insights into how the skills developed through the study of humanities subjects are essential to success in a wide range of different professions.

Humanities includes subjects such as English Literature, History, Ancient History, Classical Languages, Philosophy, Religious Studies, and Theology.

Students from across the OX14 Learning Partnership in Years 10, 11 and Sixth Form are warmly invited to attend this event co-hosted by Abingdon School and St Helen and St Katharine.
